Comments:

*Tim was an exceptional DJ. My father in-law plays music and he has a hard time deviating from his equipment and set up. However, Tim made it so easy for my husband and I. Tim met with my father in-law twice and helped him feel comfortable with his equipment. My father in-law loved Tim. There was a smooth transition between the musicians and Tim. The music Tim played was appropriate for everyone. I think the dance floor was packed the entire night. He spoke well to the audience but not too much. Transitions between events throughout the night were smooth. It was a pleasure working with him. I would refer him in a heartbeat. I still hear people talking about the music and how perfect the DJ was.*

Do you have any referrals we may contact? *No yet, but I am sure I will soon!!I :)*

Thank you for your valued input. We look forward to working for you or a referred event in the near future!
