Comments:

Excellent work Tim. Even though the wedding did not follow the the planned time line, everything was handled beautifully. Having relatively small wedding, I didn't think there would be much dancing but you made it work! The only minor thing I can come up with was how the 1st dance song started right away after my brother's toast. I couldn't thank him right after his toast like Chuq's. No biggie since I did it after the dances but you weren't able to read my mind there...haha. Your services don't fall on the cheap side but I feel like it was money well spent. Thanks again and good luck with everything.
