Comments:

*Tim, Thank you so much for everything. I was impressed with you from day one when we spoke on the phone. After meeting you and hearing/seeing your capabilities I knew I had hired the BEST DJ and Officiant, hands down. The 15 months of planning my wedding ceremony and wedding music with you was enjoyable, easy and so much fun. You made every appointment seem like we were the only clients on your mind and like we were the most important. So thank you for making the planning so great. Then there was the big day.....which blew all my expectations away. We had the most incredible wedding, and it was large in part due to the unbelievable professionals we hired like yourself. I would recommend your officiant services to anyone and everyone. One of the top comments my friends and family keep telling me is how lovely the ceremony was and how much they enjoyed the personal words and touches that you added. Your officiating was perfect, we are both so happy that YOU married us. And then the dancing began. we never wanted it to end, and neither did our guests. It all went by too fast. The dance floor was packed all night long and the transition between events were smooth and natural. Thank you for running the show and keeping us in the loop on what should come next and where we were with the evening. It is really hard to keep track of everything when you are in the moment. If I can recommend you to anyone, I mean anyone.....please let me know. I can go on for hours about how happy Warren and I are with you as a DJ, a professional and a friend. With so much respect and all the thanks in the world.... Amy and Warren Tomlinson*
