Comments:

Tim, if the ratings allowed for a 10, you definitely would have my vote. Your role during the ceremony, reception, and all of your recommendations (and discounts) were wonderful. As the mother of the bride, I was so relieved not to have a concern about anything under your purvue. You were very thorough in your planning and had us address details we hadn't even thought of - which made the evening even more enjoyable. Definitely a polished production. I'm so grateful we found you through a referral who used you at their wedding. My thanks. Liz Brilliant
