Comments:

I put 30% because I thought it was awesome and music is very important, but there are many factors to a wedding, so Im not sure exactly what percentage it should be but I was very pleased! People were dancing, the songs we requested were played, it was great! We will keep Nick in mind for our future events, he was great! I dont know how much of the percentage we spent from our budget since it was all last minute we didnt keep track towards the end. It was great! Thank you so much for great music!!!!

Do you have any referrals we may contact? *I will let you know if there is any one that needs a DJ you are the first and only on the list!*

Thank you for your valued input. We look forward to working for you or a referred event in the near future!
