Your Comments: Tim is an awesome DJ and he really knows how to keep the party going. We were so pleased with the way he handled the crowd. There were a lot of crazy people there and he managed to keep his cool the whole time. I think there was one song on my list that he did not play, but it really wasn't a big deal. Everyone told me they had a blast. I am glad he was there to tell us where to go, and when certain events were going to happen. It was almost as if he was the coordinator. We didn't have to worry about anything from the moment we got to the reception. Thanks again, and we look forward to hiring you for all of our parties! Sandra
