

This is the Order I would like my Wedding Party announced during the Grand Entrance:

Jessica Jacobson, Alisah Thompson, & Josh Frumkie (Flower Girls and Ring Bearer)

Jacob Tweedlemeyer & Sarah Parker (Bridesmaid & Groomsman)

Tony Takahago (ta-ka-HA-go) & Michelle Wright (Bridesmaid & Groomsman)

Xavier (ZA-v-er) Jimenez (he-MEN-ez) & Jillian Thomas (Best Man & Matron of Honor)

Mr. & Mrs. Herbert Frumkie (Bride & Groom)

We like all styles of music, but please stay away from heavy rap and twangy country. Our guests will probably want to do the Electric Slide, and other specialty dances. There will be a fair number of kids there so the Hokey Pokey and Chicken Dance are okay as well. Oh ya, NO Macarena, I hate that song! The 70's and 80's as well as new stuff is what we would primarily like to hear.

Songs We Would Like Played (we might give you another sheet on the day of the wedding!):

Electric Slide
Hokey Pokey
Chicken Dance
Frank Sinatra – The Way You Look Tonight
Nat King Cole - Unforgettable
B52's – Loveshack
KC & The Gang – Celebration
??? – We Are Family
La Bamba

We will also mail you the song list you gave us, with our selections highlighted.

Also, if you could encourage people to take pictures of everyone at their tables, we will have cameras on every table.

The Toast will be given by the Best Man, but I am sure my father (Calvin Jacobson) will want to say something, so if you could open up the floor after the best man's toast that would be great!

Last thing, please announce that the centerpieces go to the person who is oldest at each table!

If I can remember anything else I will be sure to call you!!!
